## DPI Update

This will be a shorter agenda than past meetings. As a section, we will be sending this information out in email form in weekly updates, and will be posting relevant presentations to the [www.ncwiseowl.org/it](http://www.ncwiseowl.org/it) website. In these days of difficult budgets, please do not make a special trip to Greensboro to only attend this meeting.

Please RSVP by Friday, November 21; please either email the information below to [smckinne@dpi.state.nc.us](mailto:smckinne@dpi.state.nc.us) or fax this completed form to 919-807-3290.
