

# COASTER CHART

Name: \_\_\_\_\_

	United States	Canada	Mexico	Guatemala
<b>What is the name of the fastest rollercoaster?</b>				
<b>How fast is the coaster?</b>				
<b>Where is it located?</b> <b>Tip:</b> Click on the name of the amusement park, not the coaster, to view the address.				
<b>Attach a picture of each coaster to the back of this chart.</b> <b>Caution:</b> Fair Use Guidelines allow you to save graphics from the Web and use them in instructional projects AS LONG AS THE PROJECTS REMAIN IN YOUR CLASSROOM! The guidelines no longer apply if your project goes beyond the classroom walls.				
<b>Describe the physical characteristics of the region in which the rollercoaster is located.</b>				
<b>What economic resources are most plentiful in this country?</b>				
<b>Describe the ways in which the economies of the United States and the other three countries are interdependent.</b>  <i>Interdependent: relying on (depending on) the assistance, cooperation or support of another</i>				
<b>Did you find anything amazing or interesting to share with your friends?</b> (Trivia: interesting facts or details that most people don't know)
